Re: L. E. Carpenter Superfund Site
Wharton Borough, Morris County
Proposed Plan

Dear Mr. Josephs:

Pursuant to our conversation on November 23, 1993, the following is my interpretation of USEPA's verbal response to the final draft of the L. E. Carpenter Proposed Plan which was sent to you via facsimile to you on November 19, 1993.

You indicated that the final draft Proposed Plan dated November 19, 1993 was responsive to most of your comments, specifically the comments which were of importance and substance. Therefore, pursuant to the EPA/State Pilot Agreement the Department considers the above referenced conversation as USEPA's final comments and will finalize the Propose Plan. The Public Comment period is scheduled to begin December 1, 1993. The Public Meeting is scheduled for December 8, 1993, at the Wharton Municipal Building at 7:00 pm.

Should you have any questions, please feel free to contact me at (609) 633-1455. Thank you for your continuing cooperation.

Sincerely,

Christina H. Purcell, Case Manager
